

Blessed Sacrament and Roncalli Newman Website Redesign Planned Work / Notes

Andrew Krause

This document contains planned work as well as notes on the work you need to complete for the Blessed Sacrament Parish (BSP) and Roncalli Newman website redesigns.

Overview Notes

- Recommend simplicity in your presentation of the redesigns of the websites.
 - Less cognitive load is nice for the user. This comes from a simpler design.
 - Use labels anyone would understand for the website, link names, titles, and pages.

Blessed Sacrament Parish Website Redesign Work Notes

Planned Work:

- Currently have image attributions and domain transfer left for work on the Blessed Sacrament Parish (BSP) website.
- As soon as Adele and Laura approve of the BSP website, duplicate the BSP website and fill in the information for the Roncalli Newman website.
 - You will have a BSP website and a Roncalli Newman website that are both on Squarespace.
 - The Roncalli Newman website (the domain name especially) will be moved from Weebly to Squarespace.

Other Work Notes:

- Blessed Sacrament Website (BSP) Color Codes
 - Gold: 106, 100, 74
 - Blue: 1, 74, 127
 - Original: 30, 80, 69
